### 1. Download the Helium App

The application is available on the store, you can search it or scan the QR code.

- 1-1. Create an account and write down your unique 12 words (this is what is used to log into your account instead of a password you created). This is your login to your Helium Wallet. Do not forget and share these words with anyone.
- 1-2. Confirm your 12 seed words
- 1-3. Secure your account with a pin
- 1-4. Confirm your pin

### 2. Power on the MerryloT Hotspot Miner

- 2-1. Attach The LoRa Antenna.
- 2-2. Plugin Power supply
- 2-3. After approximately three minutes, you can add MerryloT Hotspot Miner via the Helium app.
- 2-4. Select Set up Hotspot in the app.
